Enforcement Case No. [REDACTED] Request for Information

Dear [REDACTED]

The Enforcement Section of the Texas Department of Insurance has received information that [REDACTED] may be conducting the business of insurance in Texas without a license, registration, or other authorization.

According to information we received, your company may be conducting the acts of a public insurance adjuster. These acts include the following reference found on your contract, which is attached with this letter:

- "I hereby authorize [REDACTED] to negotiate directly with my insurance company for all property damage repairs at the above address and to act as my agent to negotiate a property damage claim settlement."

We found that your company does not hold a license or certificate of authority to perform the acts of a public insurance adjuster and/or do the business of insurance in Texas.

TEX. INS. CODE ANN. § 101.102 prohibits entities and persons who do not hold an insurance license or other authorization issued by the Texas Department of Insurance from directly and/or indirectly performing acts which constitute the business of insurance, as that term is defined in TEX. INS. CODE ANN. § 101.051.

Furthermore, TEX. INS. CODE ANN. § 4102.051, prohibits a person, including a firm or a company, from acting as a public insurance adjuster in this state or holding himself or herself out to be a public insurance adjuster in this state unless the person holds a license or certificate.

TEX. INS. CODE ANN. § 4102.001 details acts which constitute the acts of a public insurance adjuster. These acts include negotiating for or effecting the settlement of a claim or claims for loss or damage under any policy of insurance covering real or personal property; on behalf of any other public insurance adjuster, investigating, settling, or adjusting or advising or assisting an insured with a claim or claims for loss or damage under any policy of insurance covering real or personal property; or advertising, soliciting business, or holding himself or herself out to the public as an adjuster of claims for loss or damage under any policy of insurance covering real or personal property.
